MAHAVEER SINGH

AI Filmmaker & Creative Technologist

+91 94831 27666 | mahaveersnft@gmail.com
Portfolio | LinkedIn

PROFILE

Filmmaker and creative technologist working across AI-powered advertising, visual storytelling, and emerging production technologies. Combines writing and direction with AI image/video generation, previsualisation, Unreal Engine, virtual production, editing, and colour grading to create visual content.

PROFESSIONAL EXPERIENCE

Tribal Gorilla Pvt. Ltd. | AI Filmmaking & Creative Technology

Worked across AI-assisted advertising and visual content production, creative development, AI image/video generation, and post-production. Contributed to workflows involving Unreal Engine, previs, green-screen shoots, and virtual production.

SELECTED PROJECTS

HDFC Bank — Spec Advertisement | Watch film

LED-wall virtual production. Supervised the full VP pipeline, environment development, and on-set production.

Mahindra Finance — Advertisement
